

## Best School Psychology Job in Michigan Available! (see attached)

JCISD employs some of the best, brightest, and most-dedicated education professionals in the state, and maintains an organizational culture that values and supports all employees to be most effective. Twelve local school districts, four charter academies and multiple private schools spanning rural, suburban and urban communities in Jackson County rely on JCISD for high-quality instructional programs, services and educational leadership.

JCISD also offers cost-effective administrative services to districts, and our technology consortium serves districts in Jackson County and other counties to support innovative and effective technology applications in educational settings.

Jackson County is a short commute from the university-based communities of Ann Arbor and East Lansing, while Spring Arbor University, Jackson College and Baker College are located in the county. Jackson County has beautiful topography of rolling hills and several lakes to enjoy while downtown Jackson is thriving. The JCISD is most grateful for the generous support of citizens, businesses and organizations in the county to meet diverse community needs collaboratively.

It is the policy of the Board of Education not to discriminate on the basis of Protected Classes in its educational programs and activities and employment. Protected Classes generally include race, color, national origin, sex (including sexual orientation or transgender identity), disability, age, religion, height, weight, marital status, military status, ancestry, genetic information and such others as are defined in federal or state law.
